As of April 1st, 2026 the Alberta Government will be paying \$100/student/month towards fees for every child registered in a licensed preschool. This discount is already reflected in the fees above. The fees above are the parent portion of our fees. If at any time the government withdraws the \$100 monthly funding, please note that the parent portion of the fees would be increased by \$100 per month. We will notify you via email if this occurs. Subsidy is no longer available for preschool families as of April 1st, 2025.
